

10 November - Contacted [redacted] - B+L STAT
by phone & explained what I wanted - He will follow thru.

1 November - Gave to [redacted] one each of the eyepieces to be modified so that he could send to B&H for diameter sizing for glass. STAT

7 May 70.

After receipt of 27 February 70 quote from B&H, IAS decided to order only the Wild eyepieces modified. A RFQ on this was requested & received on 30 April. Too expensive. Will send Wild eyepiece to DW Mann for a quote from them ASAP.
